STANDARD OPERATING PROCEDURES (SOPs)

FEEDBACK EVALUATION PROFORMAS

OBJECTIVE:

Baqai Medical University will provide a wide range of opportunities for students, faculty and staff to provide feedback at different stages of student's learning journey, quality of teaching, resources and support services available for them at the Institution.

The feedback procedures are designed to ensure openness, anonymity comprehensiveness in the collection, processing, reporting and adding value to quality of education at Baqai Medical University.

PURPOSE:

The purposes of these SOPs are:

- Establish structured mechanism to implement feedback forms for all the programs offered.
- Facilitate the constituent Institutions / Departments to identify areas of improvement.
- Develop an effective system for rectification of deficiencies identified and to ensure compliance with Internal Quality Assurance mechanism of Baqai Medical University.

SCOPE:

- This procedure is applicable to all the Academic Programs offered at Baqai Medical University. Through these systematic procedures the Quality of Education and support services are evaluated for improvements.
- This SOP will stay in place for all future opportunities offered to the students and faculty.
- All Deans/Principals / Directors / Head of constituent Institutions/ Teaching Departments are responsible for implementing the following feedback forms where applicable in-coordination with QEC as per defined SOPs for each.
